Membership Benefits

- 1 free park admission
- 10% book discount
- MRNHA Newsletter

Volunteers

Can earn free park admission and can accumulate hours for camping fees.
 I'm interested in future volunteering

The Mojave River Natural History Association (MRNHA) is incorporated as a non-profit public benefit organization and is operated for educational rather than political purposes. The Association is the result of a desire to have a means to expand the educational and interpretive functions within the park and a way for park visitors and members of the surrounding areas to become more actively involved in activities and services at Silverwood Lake SRA.

Past and current activities of MRNHA include Bald Eagle counts, docent training, staffing of the Visitors Center, trail maintenance and mountain bike patrols.

14651 Cedar Circle Hesperia, CA 92345 760 389 2303
